

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

IN RE: ROUNDUP PRODUCTS
LIABILITY LITIGATION

MDL No. 2741

Case No. 16-md-02741-VC

This document relates to:
ALL ACTIONS

**PRETRIAL ORDER NO. 173:
CORRECTION TO PRETRIAL ORDER
NO. 172**

Re: Dkt. No. 4764

In light of Monsanto's response at Dkt. No. 4764, the pending motions to seal are moot insofar as they request the sealing of the items on the docket listed in Exhibit 1, Dkt. No. 4764-1. Those items listed in Exhibit 1 will remain under seal because they have since been replaced with documents redacted in a manner consistent with the Court's sealing orders. *See* Dkt. No. 2791.

IT IS SO ORDERED.
